

China-US Workshop in Geology and Paleontology  
Beijing, June 22, 2006

List of Participants

Bowring, Samuel A.	Massachusetts Institute of Technology	Professor Department of Earth, Atmospheric and Planetary Sciences	High-precision geochronology & EARTHTIME initiative
Dilcher, David	University of Florida	Professor of Paleobotany Member, National Academy of Sciences USA	Origins of angiosperm plants & Cretaceous floral evolution
Erwin, Douglas H.	National Museum of Natural History	Curator of Paleobiology	Permo-Triassic Extinction and Recovery; evolution of major animal groups
Luo, Zhe-Xi	Carnegie Museum of Natural History	Curator of Vertebrate Paleontology Associate Director of Science	Origins of modern mammals and Mesozoic faunal evolution
Meng, Jin	American Museum of Natural History	Associate Curator of Paleontology	Eocene/Oligocene mammalian faunal evolution
Miller, Arnold	University of Cincinnati	Professor and Chairman Dept. of Geological Sciences	Paleobiology database
Schopf, William	University of California at Los Angeles	Professor of Paleontology Member, National Academy of Sciences USA	Precambrian life.
Stromberg, Caroline	National Museum of Natural History	Postdoctoral fellow	Paleobotany
Summons, Roger	Massachusetts Institute of Technology	Professor Department of Earth, Atmospheric and Planetary Sciences	Organic and biogeochemistry of Neoproterozoic, Cambrian and P-T Transition
Wang, Xiaoming	Los Angeles Museum of Natural History	Associate Curator of Paleontology	Vertebrate Paleontology
Wilson, Gregory	Denver Museum of Nature and Science	Curator of Paleontology	Vertebrate paleontology
Xiao, Shuhai	Virginia Polytechnical Institute and State University	Associate Professor of Paleobiology	Early evolution of animals and Neoproterozoic algae
		US Observers	

Dr. Lane, H. Richard	National Science Foundation (US) (Geosciences)	Program director Sedimentary Geology and Paleobiology
Dr. McCourt, Richard	National Science Foundation (US) Biological Sciences	Program director Biological collections and infrastructure
Dr. Chang, William Y. B.	National Science Foundation (US)	Director, NSF-Beijing Office

#### Chinese Participants

Chen, Meng	Nanjing University	Graduate student	Vertebrate Paleontology
Chen, Junyuan	Nanjing Institute of Geology and Palaeontology, CAS	Professor of Paleontology	Neoproterozoic animal evolution, Cambrian explosion
He, Huaiyu	Institute of Geology, CAS	Research scientist	Geochronology
Gao, Ke-Qin	Peking University	Professor of Paleontology	Mesozoic vertebrate faunas of China & early amphibian evolution
Shen, Shuzhong	Nanjing Inst. Geology & Palaeontology	Professor & Chairman of State Key Laboratory of Stratigraphy and Palaeobiology, NIGPAS	Permian paleontology, Permo-Triassic Transition
Sun, Ge	Jilin University	Professor & Director of Paleontological Research Center, Jilin University	Origins of angiosperm plants & Cretaceous floral evolution
Tong, Jinnan	China University of Geoscience (Wuhan)	Professor	Geochemistry of Permo-Triassic transition
Wang, Xiangdong	Nanjing Inst. Geology & Palaeontology	Professor & Chair of Invertebrate Paleontology Department, NIGPAS	Late Paleozoic marine invertebrates
Wang, Xiaolin	Inst. Vert. Paleontology & Paleoanthropology	Professor	Biostratigraphy of Mesozoic and paleontology of pterosaurs
Wang, Yue	Nanjing Inst. Geology & Palaeontology	Professor	Late Paleozoic invertebrate database (NIGPAS)
Yin, Chongyu	Chinese Academy of Geological Sciences	Professor & Chair of Paleontology Laboratory	Neoproterozoic algal and animal evolution
Zhang, Zhaoqun	Inst. Vert. Paleontology &	Professor	Vertebrate Paleontology

Zhou, Zhonghe	Paleoanthropology Inst. Vert. Paleontology & Paleoanthropology	Professor	Early diversification of modern birds and Mesozoic faunal evolution
Zhu, Maoyan	Nanjing Inst. Geology & Palaeontology	Professor	Neoproterozoic isotope and biogeochemistry, biostratigraphy
Chinese Observers			
Liu, Yu	National Natural Science Foundation of China	Program officer, stratigraphy and paleontology, NSF-China	
Yao, Yupeng	National Natural Science Foundation of China	Program officer, stratigraphy and paleontology, NSF-China	
Chai, Yucheng	National Natural Science Foundation of China	Executive Director Department of Earth Sciences, NSF- China	
Bai, Ge	National Natural Science Foundation of China	Deputy Director Bureau of International Cooperation, NSF-China	
Chen, Huai	National Natural Science Foundation of China	Director of American, Oceanian and European Programs Bureau of International Cooperation, NSF-China
